

## Installation Specifications

At [www.Coronado.com](http://www.Coronado.com) product specifications can be downloaded in CSI format. Coronado gives the customer control over how the stone should be installed.

### Choices specific to Eastern Mountain Ledge

<b>Standard Colors:</b>	Aspen, Brookside, Cape Cod Grey, Carmel Mountain, Chestnut, Coastal Brown, Dakota Brown, Green Valley Quartzite, Grey, Grey Quartzite, Lompoc, Madison County, Wheat, (Any Standard or Custom Color)_____
<b>Grout Joint Width:</b>	½" Grout Joint, Drystack
<b>Grout Joint Depth:</b>	Deep Raked, Full Tooled, Full Brushed
<b>Grout Joint Color:</b>	Natural Grey, Natural Off-White, (Complementary Color)_____

### Special Installation Notes

<b>Pattern:</b>	Stone should <b>not</b> be installed in a vertical position. Select stones from several different boxes to ensure a proper blend of size and color variation. <b>See brochure photos for recommended installation pattern.</b>
<b>Chalk Lines:</b>	Should be used by installer to ensure a straight and level pattern.
<b>Vertical Joints:</b>	Should be no longer than 4" to 6" on average.
<b>Horizontal Joints:</b>	Should not exceed 6' to 8'. Detailed grouting styles can be found in the Installation Section of the binder.

**Description:** **Eastern Mountain Ledge** is a combination of Eastern Ledge and Mountain Ledge stones to give the customer the best features of both. Now you can have the slightly larger Eastern Ledge panels with the smaller Mountain Ledge stones. It was designed for a faster and more efficient installation. Even a novice installer can achieve a professional installation.

**Sizes:** Stone sizes range from 1" to 5" in height and up to 22" in length.

**Thickness:** 1" to 3"

**Packaging:** Available in big boxes (110 square feet) or Dura-Paks (13.5 square feet). **Square-foot coverage for Eastern Mountain Ledge is based on installation with tightly-fitted joints.**

**Sealing:** Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.

**Accessories:** Corners, Matching Pavers, Wall Caps, Post Caps and more. (See Accessories section of binder)

**Panels:** Eastern Mountain Ledge contains **15% panels** for a fast and easy installation.
